

March 1, 2018

To All Mueller Customers,

As the costs of materials and freight continue to rise, we have made the difficult decision to increase our prices on most residential and commercial products between 4% and 8%, effective April 2, 2018. Please plan accordingly for any orders that will ship on or after April 2.

We appreciate your business, and we remain committed to being your partner in the building industry. We will continue to work with our suppliers to keep costs competitive, and as always, we will look for unique ways to help you operate more efficiently. I encourage you to contact your Mueller sales representative or your local Mueller branch with any questions.

Thank you for your business.

Kindest Regards,

Hugh S. Hillix, Senior Vice President
