To All Mueller Customers,

Effective on all Shipments on or after February 1, 2021 we will be increasing pricing \$5 to \$8 per square on steep slope roofing products and between 8-12% on all residential accessories due to increases we have received from our vendor partners. We encourage you to plan accordingly on future proposals to your customers.

We sincerely appreciate your support. We will continue to work with our vendors to secure product and remain competitive. I encourage you to reach out to your local sales representative or your local Mueller Branch Manager with any questions you might have.

Thank you for your business.

Kindest Regards,

Hugh S. Hillix
