## Price Increase Announcement: All Residential Roofing Products

Dear Mueller Distributors Customers,

I would like to thank you for your business during these challenging times. We have received price increase notifications from our roofing shingle manufacturers that will go into effect in April. As we continue to want to give our customers ample notice, we want you to know that Mueller will be **increasing prices on all residential roofing products shipped on or after May 2, 2022, by 8-12%**. Please plan accordingly.

Please do not hesitate to contact your local Mueller branch or your Mueller sales representative with any questions. We appreciate your support and partnership and hope to be your continued source for building materials.

Sincerely,

Hugh S. Hillix
