Drawing: Upon arriving at the event, the customer will be given his/her tickets and will put them into the hopper themselves. When it is time for the drawing, we will have two separate drawings of 12 people -- Group A & Group B.

Group A: In the first drawing, 12 tickets will be pulled from the hopper. Each of the 12 contestants will be lined up in the order their name was drawn, from 1 to 12. No customer may have 2 of the 12 chances in the Group A Drawing. If a customer has a second ticket drawn, it will be discarded and another ticket will be drawn. The 12 contestants will go through the elimination process until only 2 remain as the finalists.

Group B: In the first drawing, 12 tickets will be pulled from the hopper. Each of the 12 contestants will be lined up in the order their name was drawn, from 1 to 12. No customer may have 2 of the 12 chances in the Group B Drawing. If a customer has a second ticket drawn, it will be discarded and another ticket will be drawn. The 12 contestants will go through the elimination process until only 2 remain as the finalists.

Customer can participate in both Group drawings and are eligible to be a contestant in both if their ticket is drawn. No customer can have more than 1 of the 12 spots in either drawing. If a customer is a finalist in Group A, they cannot be a contestant in Group B.

Elimination Process: After all 12 contestants are determined in a group, the first contestant drawn out of the hopper will pull out a number (1-12). The number they pull out will eliminate the corresponding contestant. (Ex. If the contestant pulls out #8, the contestant who was drawn with the 8th pull is eliminated.) This will continue with the second contestant and so forth, until only 2 contestants remain. Group A will go first, then Group B. The final 4 contestants (2 from each group) then will pull out a number. Each will be given a choice of key fobs, starting with the contestant who pulled the lowest number. Whichever contestant pulls the key fob that starts the Bronco, wins.

Prize: The prize is a 2022 Ford Bronco purchased through Fuller Ford. All tax, title, and other fees are the responsibility of the winner. No cash substitute is available. Any changes or upgrades to the vehicle are strictly between Fuller Ford and the winner. Truck options and color may differ from truck used in marketing materials. Mueller Roofing Distributors reserves the right to drive the vehicle during the contest. This will affect the actual miles on the odometer when won, and the truck will be awarded "as is." Additional runner-up prizes will be given to members of Group A & B who did not win the truck, including unique prizes for the three finalists who did not win the truck.

Odds of Winning: The estimated odds of winning the truck are 1:5,000.

RSVP: Raffle tickets will not be sent out in advance, but will be distributed to eligible participants at the drawing venue. Eligible participants will receive an email with an invitation to the Customer Appreciation Event at the Mueller Distributors branch in Covington, KY.
