Dear Valued Customer,

At Vinylmax, we remain committed to providing high-quality products, dependable service, and exceptional support to our customers.

Over the past several months, we have experienced continued increases in the cost of key raw materials, particularly glass, aluminum, and vinyl resin, as well as higher transportation expenses driven by ongoing volatility in commodity markets. While we have worked diligently to absorb these costs through operational efficiencies, a modest price adjustment is necessary to maintain the quality and service levels you expect from Vinylmax.

Effective Monday, July 6, 2026, pricing will increase 2.0% - 2.4%, depending on product and market. Pricing will automatically be updated in your Webcenter Online Quote and Order System. Orders placed prior to July 6, 2026, will be honored at current pricing. Quotes will expire on July 5, 2026, and will need to be recalculated within the Vinylmax WebCenter Online Quote and Order System by copying the quote to a new quote.

We sincerely appreciate your continued partnership and thank you for your business and support.

Sincerely,

Scott Jeffrey
Executive Director of Sales, Vinylmax Windows
